Re: Goodell Scholarship

Dear Prospective Student:

This year the Northwest Branch of the American Society of Civil Engineers will be giving out one \$1,000 scholarship to civil engineering students who live within the boundaries of the Northwest Wisconsin Branch. The intent of this scholarship is to recognize the unselfish contributions to the civil engineering profession that were made by Mr. Harvey Goodell. The hope of the Northwest Branch is that by awarding this scholarship the spirit and enthusiasm shown by Mr. Goodell will be perpetuated.

Attached are details about the eligibility criteria and the application form. Applicants need to fill out the application and attach one letter of recommendation. Applications should be returned by 5:00 PM December 1, 2023 to: *Corona Woychik ISG - 201 Main Street Suite 1020 - La Crosse, WI 54601* or by email: corona.woychik@isginc.com

Sincerely,

A handwritten signature in black ink, which appears to read "Corona Woychik". The signature is written in a cursive, flowing style.

Corona Woychik, PE, PTOE
President

Please answer the following questions on a separate sheet of paper.

- Are you currently a student member of ASCE? If so, describe related activities and any office you've held.
- Describe other student activities in which you've participated during the past academic year.
- Describe any engineering-related employment or experience you've had, either during school or summer.
- Why have you chosen civil engineering as a profession?
- What contributions do you hope to make to the civil engineering profession?
- Why did you decide to apply for this scholarship?

Please add one (1) letter of recommendation to this application.
